

Matters Arising from Previous Minutes:

a. PRIDE

a1. Industrial Shutter – 1st Floor Gym ventilation.

We have received a report stating the 1st floor window external shutter has stopped working. The shutter is stuck in the closed position and is stopping the window from opening. This window is the only ventilation point of the gym. 3 Companies have been contacted:

1: stated the shutter is not repairable, due to the shutter being manufactured and installed by an unknown Shutter company, which therefore makes obtaining parts nearly impossible. To replace the shutter will cost £3,067.20. Companies 2 & 3 are still to respond to my initial web contact, details will be forwarded as soon as possible, for discussion during the meeting.

N.B. Further information received was suggesting the only reason the shutter was installed originally was to stop Cricket Balls breaking the window. However, if this is the case as the gym is open during most Cricket matches the shutter are usually open and therefore would not prevent the glass from breaking if it were struck.

A suggestion put forward would be to have white wire mesh guards added instead of a shutter.

a2. Shutter Maintenance.

Whilst on site 1 Shutter contractor stated there is another shutter which is in need of repair works. The works including VAT will cost £583.20.

a3. Toilet doors.

The Clerk has researched into commercial steel doors and only 1 company out of 3 contacted replied with a quote. The quote is for:

“Single steel doorset, pull handles externally, push plates internally, door closer, deadlocks top and bottom, threshold and seals. Specification: Door Panel: Manufactured from 1.2mm zinc coated steel to form a 45mm thick panel. Supplied with an astragal security lip formed into the panel as standard. The panel is supplied as standard with the following: BS 7352 Class 9 Stainless Steel Dog Bolt Hinges. Frame: Manufactured from 1.6mm zinc coated steel folded to form a single rebated profile. If powder coated, please check the colour required is within our standard range.

To suit an opening of 1.000m Wide x 2.400m High

- ALL SUBJECT TO SITE SURVEY
- COLOUR AND HANDINGS TO BE CONFIRMED
- INCLUDES TAKING OUT AND REMOVING EXISTING DOOR”

The cost per door is £1,783 + VAT

The original quote we had to replace the door like for like was £1,200. This was to replace the door (wooden structure) and make repairs to the frame.

Aviva have stated they will cover like for like replacement, but if we choose to replace with Commercial Steel doors this is our choice. Aviva have settled the claim minus excess and paid £1,075. (This is on the first claim only). The second claim is on-going.

Recommendation:

1. To discuss and agree away forward to replace / repair of the 1st floor window shutter.
2. To discuss and agree away forward to maintain the other shutter in need of repair.
3. To discuss and agree away forward to replacing the toilet doors and frames.

b. Flood Defence

Last month Cllr Green explained the risk of flooding in small pockets within the Parish.

It was noted that although the Parish have access to sandbags (stored at Cllr Green's home) the practical element of putting the bags in situ at the time when needed, is simply not suitable given the limited number of volunteers. It was suggested Council consider the purchase of 40m – 45m of quick erect flood prevention fencing.

To date there is no earmarked reserves for flood defences, however PAPC have received CIL money, this month. It is therefore recommended any spending for flood defences is allocated from CIL reserves (YTD £58,904.30). N.B. The Clerk must ask Dorset Council if they will approve CIL money being used on flood defences, if DC refuse then the cost would be covered by General Reserves, although this would leave the fund low and in need of topping up within the next FY budget.

Contractor 1: £110 per barrier total £4,950, + VAT + delivery £180 (Total £6,120)

Contractor 2: £175 per barrier total £7,875, + VAT + delivery £100.40 (Total £9,570.48)

Contractor 3: £174.99 per barrier total £7,874.62 + VAT inc delivery (Total £9,449.55)

Recommendation: To approve contractor 1 to supply 45m of quick erect flood defence barriers.

e. Orchard Meadow

e1. Cllr Johnstone has been in contact with the proposed swing installation company and have identified an area which would suit the installation of a new junior swing unit.

The basics of all quotes is:

- Double seat swing assembly of wood construction,
- Steel feet on supports,
- Seats of recycled plastic with stainless steel chains and hangers,
- Rubber / plastic matting for ground protection. Although this is not legally required it is recommended to stop the ground surface from eroding from underneath the swing seats, causing groundworks repairs in years to come.
- Delivery & Installation (Including all grounds works)
- Clear up of site before departure.
- All work to be fully guaranteed Parts and labour.

Costing:

Contractor 1:

Total £4755.80 + VAT

Contractor 2:

Total £7,385.75 + VAT

Contractor 3:

Total £5,651.42 + VAT

Contractor 4:

Total £6,150 + VAT

Recommendation: To approve Contractor 3 to manufacture and install a new junior toddler swing within Orchard Meadow.

e2. Orchard Meadow Management Plan.

A third party was contacted and asked to comment on the Orchard Meadow Management Plan, with the following key suggestions:

- a. 3.3 You refer to the 'Parish Council Playpark Caretaker' – can you specify who that is? I think there needs a clearer 'lines of responsibility' here between the PC Clerk and Chairman, the PC Tolpuddle village representative, and the 'caretaker'/volunteers.
- b. Grounds Maintenance Contractor work - 3.5 Are the Grounds Maintenance Contractors sufficiently knowledgeable of plants to know a weed from what isn't? I would suggest they keep to 'weeding' just the paths and pétanque area.
- c. 3.7 The reed and willow are important nesting areas for birds such as reed warbler and moorhen, so I would suggest that clearance of this area doesn't start until September.
- d. General site repairs. The willow tunnel pruning and training has in the past been undertaken by volunteers. Volunteers also usually undertake coppicing and trimming back of shrubbery areas (mainly in winter), maintaining access along pathways, play equipment, store and seating areas through cutting back of shrub growth and brambles (throughout the year where required), fine pruning of fruit trees (winter), weed control in meadow and herbaceous areas, and litter-pick. Repairs to the pathway should be either a job for a contractor or the caretaker. The volunteer work parties are currently 3x a year - one in November/December, another in February and one in early-July ahead of the Martyr's Rally.
- e. 4.1.1 – Hedges. There is confusion over what constitutes a hedge, I think. There are two hedges on site – the roadside beech hedge and the eastern boundary. The area of shrubs in front of the houses at the western boundary is a shrubbery and not a hedge. The eastern boundary hedge doesn't get a mention but in the past was maintained by reducing down to about 2m height and every so often laid (westcountry-style) to promote dense growth.
- f. 4.1.3 - The 'willow hedge' I assume is the area between the path and swale which could do with further thought. At the moment there are willows that are either overgrown, pollarded or not looking very healthy, all amongst a sea of nettles. Happy to meet up and discuss further. There is also the willow on the far bank of the swale that is also overgrown. It is fine to allow these fast-growing multi-stemmed 'trees' to grow but I think they do need coppicing back every five-years or so before they dominate too much. People do like to be able to see the water-meadows beyond. The dogwood area to the west of the big bay tree needs cutting annually as you say but in late winter (they are grown for their colourful winter stems).
- g. Fruit trees – the annual pruning should be light.
- h. 4.2 – The strimming around fruit trees has to be done with great care so as to not ring-bark the trees (as discussed on site).
- i. 4.3 – Will a contractor be able to identify the basal leaves of a bee-orchid? I'd be very surprised!
- j. 4.4 – the contractor must remove all of the arisings otherwise a mulch of cuttings will form which will suppress any potential wildflower seedlings (as mentioned this year!).
- k. 4.6 – as much as I agree that the path edges need clearing back, I wonder whether the PC should be looking into alternative solutions to the use of herbicides which cause such environmental damage.
- l. 4.7 – most of the wooden structures are treated softwood so shouldn't require annual treatment.
- m. 4 – Table. 'Coppice'? Volunteers usually do this work.

f. Playground Inspection

Last month the Clerk was asked to investigate the cost of an Operation Inspector for the 3 playgrounds to ensure our current contractor is best value for money.

Looking on the RPII website there are 2 other companies identified within a 50mile radius. Both were contacted: (Currently we are charged £46.67 per area.)

Contractor 1: £40 per area

Contractor 2: £100 per area.

Recommendation: To appoint contractor 1 as our Operational Playground Inspector.

g Action Log:

Action Number (year number / consecutive number)	Old Action Number linked to	When Initiated?	Who is Actioned?	Title	Details	Status (progress description plus colour code: Red - no progress; Amber - action in progress; Green - action completed)	Present at last meeting	Complete
104		10/10/2023	Clerk	Various Issues with DC	Clerk to chase Cllr Parker on responses to queries raised last month.	25-10-23 email sent to EP asking for update.		
106b		10/10/2023	Clerk	Playground Inspection	Clerk to contact Contractor 2 (The Playground Inspection Co.) to accept the quote for an annual check to be carried out in Butt Close, Orchard Meadow and Puddletown Play Parks	25-10-23 email sent to book inspections		
106b		10/10/2023	Clerk	Playground Inspection	Clerk to contact 3 possible suppliers (RPII Operation Inspector qualified) to obtain a quote for quarterly reports for Butt Close, Orchard Meadow and Puddletown Play Parks.	27-10-23 Research carried out on Routine Inspectors. No many listed within a 50m radius. Those listed I have contacted. The Playground Inspection Company and Elite Playground Inspection. Currently Ken Hussey charges us £46.67. 28-10-23 Elite Playground Inspection have replied stating £40 per play park per inspection. 30-10-23 PIC have replied stating cost would be £100 per site per visit.		
106b		10/10/2023	Clerk	Playground Inspection	Clerk to produce a tick sheet for use by Councillors when carrying out weekly visual inspections within Butt Close, Orchard Meadow and Puddletown Play Parks			
106c		10/10/2023	Cllr Johnson	OM - Swing	Cllr Johnstone to contact current quote providers asking they confirm the area in which they would suggest the new swing unit be installed, ensure the area is large enough	Quotes attached to Nov agenda	y	Nov-23
106c		10/10/2023	Clerk	Om Hedge	Clerk to contact Rempstone Tree Management to accept quote for work within Orchard Meadow.	Work booked in for 11th and 12th of December.		

106c2		10/10/2023	Clerk	OM Management Plan	Clerk to email the draft Orchard Meadow Management plan to third parties involved in setting up Orchard Meadow, plus add to the Parish Council website, inviting residents to send in their comments.	OM Plan on Nov agenda after with third party comments	y	Nov-23
106c2		10/10/2023	Clerk	Clearing Swale Reed	Clerk to contract current contractor to book work in. Swale	31-10-23 Contractors state "We believe we've got to a point where we've done what the contract covers but welcome your further input. The clearing of the willow is "quoted" works as per last year so if this is required again please say. If there is someone within the town council that could maybe meet our team on site next visit to point out and share thoughts that would be good to set up maybe?"	y	Nov-23
107		10/10/2023	Clerk	Puddletown Toilet Doors	Clerk to have public toilet external doors boarded shut.	Doors boarded	y	Nov-23
107		10/10/2023	Clerk	Puddletown Toilet Doors	Clerk to investigate cost of commercial steel doors to replace the 2 exterior public toilet doors.	Costing on Nov agenda		
110		10/10/2023	Cllr Green	Flood Defence	Cllr Green to obtain quotes for quick installation flood defences	Added to Nov agenda		
111		10/10/2023	Clerk	Policies	Clerk to publish the adopted the Disciplinary & Grievance Policy, The Employment policy, The Pay policy: & The Training & Development policy as presented.	Added to website	y	Nov-23
112		10/10/2023	Clerk	Payments	Clerk to process	Processed	y	Nov-23
92		12/09/2023	Clerk	Tree Management Plan	To investigate the cost involved to create a Tree Management plan	12-09-23 Clerk to investigate costs to implement a tree management plan and report back to Council. 22-09-23 Three companies contacted to quote for creating tree management report 10-10-23 results attached to October meeting agenda		
103	92	12/09/2023	Clerk	Hedge Trimming Puddletown Rec Car Park	Gather quotes - Hedge trimming Puddletown Rec Car Park	12-09-23 Clerk to obtain 3 quotes for cutting back the hedge running along the car parking area at Puddletown Recreational area and report back. 22-09-23 three companies		

						contacted to quote for work awaiting response. 10-10-23 results attached to October meeting agenda. 25-10-23 Contractor (Hardy's) emailed asking to cut car park hedge		
57	24b & 21/178	08/08/2023 13/06/2023 12/04/2022	Clerk & Cllr Ridout	The Coombe	Cllr Ridout to update Council of previous agreements during September meeting. Clerk to carry out a land registry search on the Coombe Area.	12-04-22 Seek advice and guidance from arborists on how to manage the space and trees along the Coombe in Puddletown 12-05-23 Meeting with Simon from Hardy's. Explained area in need of stabilisation plus advised to place a couple of signs "STEEP BANK DO NOT CLIMB" 14-06-23 Land registry explored. Findings to be reported to Council. Unsure if land registered. Ask Councillors how they wish to proceed (July 23 meeting) John Ridout looking into old minutes and reporting back to Council in August (postponed to September). 12-09-23 Cllr Ridout has discovered the Coombe was handed to the Parish Council for maintenance. 12-09-23 Cllr Ridout to report back to Council the specific date of the minutes which identified the management of the Coombe.		
103	57, 41a4, 140a & 22/068	08/08/2023	Clerk	Bus shelters in Tolpuddle	Contact Highways to see if possible, to move bin to other side of bus shelter	22/10/2022 Highways contacted with a request for a new bus shelter including a seat at the western end of the village. Two shelters including benches at the eastern end of the village (one on each side of the road). Email sent to Mike Haines Operations Manager DWP 27-04-23 Email sent to Poundbury Depot 10-07-23 email received from DC stating we can replace bus shelters in Tolpuddle. The present bus shelters are not on their asset register and therefore thought not to be theirs but initially installed by PC and therefore no funding available for removal or replacement. (N.B. Tony from Bus stop contact). 08-08-23 Clerk to look into costings and report back to Council. 14-08-23 Contractors emailed requesting quotes. 10-10-23 results attached to October meeting agenda 11-10-23 Contractors investigated. 2 found and contacted. 1 stated unable to install as do not hold Highways Licence. 1 quoted but has not stated if has licence to work on Highways. 25-10-23 Highways contacted asking for contractor		

					requirements. 26-10-23 Email received from S Mephram stating we should consult neighbours and ensure they are happy with shelter to be placed there as it may impair visibility of oncoming traffic for vehicles joining Main Rd from Trent Close and the adjacent properties on Main Rd (56 to 60b) and The Cornfields. plus "A concrete base is not necessarily needed but is definitely advisable – the area will soon become muddy with people opting to stand on the dry footway rather than the muddy verge! I agree the opening should be footway side rather than carriageway side, this would be safer and afford more protection from vehicle draught and spray. Your contractor will need a minimum £10m Public Liability insurance. There are a number of accreditations, ask the contractor if they are accredited to work within the public highway. They will apply for a appropriate licences and road space bookings with DC's Traffic Team – if they do not know how to do this then it is highly likely that they are NOT accredited to work within public highway. I don't see a need for a site visit from Community Highways team at this point – BUT – you need to measure the verge width to see if your preferred shelter will fit before going too much further."		
103	57, 22/082	08/08/2023	Clerk	New seat for bus shelter, High Street, Puddletown	09/11/2022 Liaising with Dorset Highways regarding a suitable bench for the bus shelter. 15/12/2022 email reminder to Highways. 13-03-2023 email sent to Adam Frost chasing progress 10-07-23 email received from DC stating we can install a seat in the Puddletown Bus Shelter if we wish again at our cost as they do not currently support benches in bus shelters. 08-08-23 Clerk to investigate costings and report back 14-08-23 Contractors emailed requesting quotes. 16-10-23 Contractor (Ian Curts) instructed to carry out work, Confirm will carry out work w/c 20 or 27th Oct		

67	22/076	08/08/2023	Clerk	SID Tolpuddle	08-08-23 Clerk to write to the Trustees and ask they reconsider given the SID is only there for short periods of time and is for the safety / protection of the Tolpuddle residents. Cllr Johnstone agreed to speak with trustees rather than send letter.	08/11/2022 Ongoing concerns around the current location of the SID in Tolpuddle. Highways have advised that the existing SID will 'underperform' if the hedge around the SID is not maintained to a high enough standard. Martyrs Museum own the hedge and feel that the hedge is sufficiently cut. Solar Panels have been earmarked for the SID however until this issue has been resolved Highways do not feel the PC would be getting the best from the SID. DC have confirmed the SID cannot be raised on the pole, as the device would be out of the line of sight for drivers.		
41a2	156b2	11/07/2023	Clerk	DWP Bin Puddletown Church	Contact Dorset Council Waste Partnership to request the bin by the Puddletown Church be replaced with a larger bin, due to the removal of a second bin, reducing current capacity by 50%	12-04-23 Requested on DC portal DWPLB507160623 @ 15:44 on 12-04-23. 27-04-23 Email sent to Poundbury Depot 11-07-23 Clerk to contact DWP to chase. 17-07-23 Request sent to Cllr's for photographic evidence 12-09-23 During monthly meeting requested Cllr Parker come involved as not heard back. 25-10-23 Update requested from Emma. 29-10-23 update "I have raised all these concerns and have been assured they would be looked into, I would like to think that the bins will just be replaced, and the road sweeping would be done, happy to chase this again if this is not the case. I am struggling with the sign as it would seem no one really knows who is responsible for it." 2-11-23 Note from Emma "I have received a email to say the commercial waste team will be in touch regarding the two bins as apparently, they are paid for services. Once they have been in contact, I will let you know. I am on leave now but will be checking my emails daily but not between Tuesday 7th - Friday 17th."		
44		11/07/2023	Clerk	New benches - Round Parish	Clerk to investigate the replacement cost for new benches	22-08-23 Costing gathered, presented on September 23 meeting. 8 Seat bench in OM in need to replacement. Picnic Bench in Puddletown Park & OM in need of replacement. 12-09-23 Clerk to order benches for Orchard Meadow (to replace 2 x picnic bench Toddler area & 1 x round 8-seater bench main area). 29-09-23 benches ordered expected delivery Wednesday.		

45a6		11/07/2023	Cllr Green	Adopt a phone box	Cllr Green to investigate if the phone box is still available for adoption and the report back to council.			
45a10		11/07/2023	Clerk	Mechanical Road Sweep	Clerk to chase previous request for a mechanical road sweep through Tolpuddle and Puddletown. Plus, to add a link to the PAPC Facebook page on where to request a Mechanical Road Sweep.	18-07-23 Email sent to Kelly (old Clerk) as Facebook stating account registered to her personal address and has kicked my access. 12-09-23 During monthly meeting requested Cllr Parker come involved as not heard back 09-10-23 reported on DC portal for The Moor, & High Street Puddletown & Main Road Tolpuddle 12-09-23 During monthly meeting requested Cllr Parker come involved as not heard back. 25-10-23 Update requested from Emma. 29-10-23 update "I have raised all these concerns and have been assured they would be looked into, I would like to think that the bins will just be replaced, and the road sweeping would be done, happy to chase this again if this is not the case. I am struggling with the sign as it would seem no one really knows who is responsible for it."		
48	15 - 2023/24	09/05/2023	Clerk	Sandbag Location.	Cllr Green and the Clerk to work together identifying possible new locations and land ownerships	Cllr Green identified the area discussed during the last meeting; however, the building is more dilapidated and overgrown than first thought. 13-07-23 Email sent to Wessex Water re ownership of land in front of pumping station 11-07-23 Clerk to contact Wessex Water to see if they own the land next to the pumping station. 13-07-23 Email sent to Wessex Water enquiry about land ownership in front of pumping station		
28d		13/06/2023	Cllr Johnstone	Meeting Ken Hussey	Cllr Johnstone to meet with Ken Hussey to discuss new equipment within OM play park	16-06-23 Cllr Johnstone meet with Ken Hussey. Report to be produced and submitted shortly 15-08-23 Report received from Ken 10-10-23 Quotes submitted to Council for approval		
33c2		13/06/2023	Clerk	Puddletown Rec Ground	Clerk to contact Countrywide as Official Grounds Maintenance Contractor to inform rejected selective treatment works, and request quote for restoring the whole field within tinning and slitting to help drainage.	15-06-23 Email send, rejecting selective treatment quote, and asking for quote to restore entire field. 15-06-23 Email received stating will look at best option and report back. 14-07-23 Quotes received present Aug meeting, postponed September meeting 12-09-23 Council approved quote for vertidrain only. Contractor contacted and informed		

						acceptance of quote, and asking to confirm dates they intend to carry out work, to ensure suitable for club use, and any bookings.		
8a - 2023/24	126	09/05/2023	Clerk	Green Area by Lights Blandford Road / High Street	Contact Dorset Highways to request permission to place a bench or decorative stone on the green to stop parking.			
161d		11/04/2023	Clerk	Reserves	Update reserves as listed in minutes			
156b1		11/04/2023	Clerk	Dorset Police Driver Training	Contact Dorset Police inviting them to attend a full Council monthly meeting to discuss Dorset Police Driver Training, plus asking for action to be taken on illegally parked cars	28-06-23 Email sent to Alison Donnison asking for correct contact details for Dorset Police Driver Training		
140j		14/03/2023	Clerk	Trees for the Coronation	Investigate costs for planting 2 trees within the Parish to celebrate the Kings Coronation	28-06-23 Email sent to Simon (Director Holme for Garden) requesting recommendation for tree type, size and cost		
140d		14/03/2023	Clerk	Photo Cllrs	Take head and shoulders shot of all Cllr's.	13-06-23 Photos taken of all Cllrs except Cllr Brown & Cllr Doe, 11-07-23 Photo taken of Cllr Brown		
140d		14/03/2023	Cllrs	Write short 100 - 150-word bio	Councillors to write short bio about themselves for noticeboards and website	Cllr Green, Cllr Redman, Cllr Walton & Cllr Brown received		
140a		14/03/2023	Clerk	Bin Tolpuddle Layby	Contact DWP to request bin be replaced in Tolpuddle Layby	Requested on DC portal DWPPLB507160623 @ 15:44 on 12-04-23. 27-04-23 Email sent to Poundbury Depot 12-09-23 During monthly meeting requested Cllr Parker come involved as not heard back. 25-10-23 Update requested from Emma. 29-10-23 update "I have raised all these concerns and have been assured they would be looked into, I would like to think that the bins will just be replaced, and the road sweeping would be done, happy to chase this again if this is not the case. I am struggling with the sign as it would seem no one really knows who is responsible for it."		

19/230 (b) & 123 & 155		10/03/2020	Clerk	Butt Close Playpark	chase Magna for Butt Close playground area contract.	Magna Housing need the full proposal in writing to the director before they can sign off on it. Awaiting a plan from the landscape architect before we send this on to Magna. 08/08/2020 Email to Director at Magna Housing, consultation has begun and is due to end 30th September 08/10/2020 update - Magna Housing have agreed to a 20-year lease term and to repair the fence prior to commencement. Draft Lease is agreed. Awaiting paperwork to sign. 11/10/2022 - Magna have made contact, draft lease agreed. Cllrs discussed at PAPC 11/10/22 and agreed to progress. 22-02-23 Email received from Kara Shaw Paralegal for Magna. Requesting Lease plan. Lease plan is a detailed map of the area. which is Land Registry compliant, (The Land Registry requirements for the plan are that it must: accurately show the extent of the land being registered; be drawn to a stated scale (preferred scales are: 1:1250); indicate its orientation with a north point; shows sufficient detail to be identified on the Ordnance Survey map; and make clear the general location by showing existing roads, junctions or other landmarks.) Clerk called Kara Shaw to state I would investigate the plan, plus to request the fence be repaired as agreed before the lease if finalised. 22-08-23 Chase email sent as no contact heard from Kara Shaw regarding where to send scale plan. 01-09-23 Scale plan emailed to Kara. Plus, request they chase a date for repairing / replacing the boundary fence.		
123		14/02/2023	Clerk	Contact contractor for a quote to carry out repair works at Puddletown Recreation Ground on Youth shelter. Back Rest		Email sent to Ian Curtis 18-02-23 requesting quote for work		

				posts need replacing				
22/040		12/07/2022	Clerk	Liaise with Dorset Highways regarding the siting of two Play Park Road signs on Main Road, Tolpuddle		10/08/2022 Jeffery Damer from Highways emailed to confirm one sign will be moved as it is on private land, the other sign is in the orthodox position, but highways will investigate and get back to me. 03/10/2022 Jeffery Damer email - Western warning sign - We will be relocating the sign to a lamp column and removing the post as soon as possible. This work will be funded for by Dorset Council because we had it erected wrongly on private land. Eastern end - We will adjust the sign to ensure that no part of the sign is overhanging the garden / boundary wall, and as above Dorset Council will fund this work. The residents of the property have complained that the sign / post are preventing them from maintaining their hedge. Their hedge which sits next / behind the garden wall is in fact overhang the footway which is highway land. The location of the post does not hinder the maintenance of the hedge. The sign could be relocated to the nearby lamp column which is also next to the garden / boundary wall and the post removed but because we see no problem with the current location of the sign Dorset Council will not fund this work. The cost of relocating the sign to the lamp column and removing the post is £169.82. 11/10/2022 Cllrs agreed to look at this again in Feb 2023 when they can assess the PC bank balance.		
22/078		08/11/2022	Clerk	Monitor metal grids at Puddletown park		08/11/2022 Monitor incidents of any slips on the metal grids at Puddletown park.		
22/084		08/11/2022	Clerk	Speeding in Troy Town		08/11/2022 Monitor concerns from residents about speeding in the area. A traffic survey was conducted by Dorset Highways in October 2021 and they will not look at it again so soon. Monitor and bring back to PAPC in summer 2023.
